I was the traveller inspired  
by that place and that room ...  
All my shirts were named  
after airport codes  
so to remember all places I saw.  
I am starting the travelling  
again, like fresh.

It's myself,  
this is the meaning  
of deperlu in my hometown.  
All my clothes are now  
named after friends,  
all the friends I met  
and the many more to meet.
